Notice of Fee Increase on January 1, 2003

If a reply to a "Notice of Allowance and Fee(s) Due" is filed in the Office on or after January 1, 2003, then the amount due will be higher than that set forth in the "Notice of Allowance and Fee(s) Due" since there will be an increase in fees effective on January 1, 2003. See Revision of Patent and Trademark Fees for Fiscal Year 2003; Final Rule, 67 Fed. Reg. 70847, 70849 (November 27, 2002).

The current fee schedule is accessible from: http://www.uspto.gov/main/howtofees.htm.

If the issue fee paid is the amount shown on the "Notice of Allowance and Fee(s) Due," but not the correct amount in view of the fee increase, a "Notice to Pay Balance of Issue Fee" will be mailed to applicant. In order to avoid processing delays associated with mailing of a "Notice to Pay Balance of Issue Fee," if the response to the Notice of Allowance and Fee(s) due form is to be filed on or after January 1, 2003 (or mailed with a certificate of mailing on or after January 1, 2003), the issue fee paid should be the fee that is required at the time the fee is paid. If the issue fee was previously paid, and the response to the "Notice of Allowance and Fee(s) Due" includes a request to apply a previously-paid issue fee to the issue fee now due, then the difference between the issue fee amount at the time the response is filed and the previously paid issue fee should be paid. See Manual of Patent Examining Procedure, Section 1308.01 (Eighth Edition, August 2001).

Questions relating to issue and publication fee payments should be directed to the Customer Service Center of the Office of Patent Publication at (703) 305-8283.

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this Examiner's Amendment was given in a telephone interview with Jennifer Slonaker on 2/5/03.

2. The application has been amended as follows:

In the claims:

In claim 19 line 5, delete "corresponding".

In claim 19 line 5, change "support" to -- supporting--.

In claim 20 line 1, change "support" to -- supporting--.

In claim 21 line 1, change "support" to -- supporting--.

Response to Arguments

3. For claims 1-6: Attorney's argument on page 7 that Maeda does not teach or suggest the claim limitation that the first and second member are formed from an elastic material, the elastic material of the first member having the first sealing part is formed from an elastic material that has a lower hardness than the elastic material of the second member having the second sealing part to prevent splitting on the inner surface of the through hole when the electrical wire is passed is convincing.

Allowable Subject Matter

4. The following is a statement of reasons for the indication of allowable subject matter: The primary reasons for the indication of the allowability of claims 1-6, 13-21 are the inclusion therein, in combination as currently claimed, of the limitation of the elastic material of the first member having the first sealing part is formed from an elastic material that has a lower hardness than the elastic material of the second member having the second sealing part to prevent splitting on the inner surface of the through hole when the electrical wire is passed (for claims 1-6, 13-18), and a first member having a first sealing part, a second member having having a recessed part for receipt of a protrusion formed on a supporting member and a second sealing part formed on an outer circumferential surface of the through-hole that sealing engage a housing (for claims 19-21).

The previously listed limitations are neither disclosed nor taught by the prior art of record, alone or in combination.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
